

GPs and HIV

27/01/09

The shift of some HIV care to GPs is becoming a reality. NAM hosts a debate about this transition.

Come and find out about the potential implications and have your questions answered.

- What aspects of care will be moving?
- How will this affect you and your standard of care?
- When and how is this going to happen?

Speakers

Gus Cairns, Editor, HIV Treatment Update, NAM
Dr Sally Whittet, Binfield Rd Surgery

When

Tuesday 27th Jan 2009, 7-9pm

Where

University of London Union, Room 3B,
Malet Street, London WC1E 7HY
